DISCLAIMER: Although HealthSmart frequently updates this directory, you should contact the provider directly for the most accurate information. HealthSmart does not accept or assume any responsibility or liability for damages arising from the use or reliance on this information. The provider you select may not be available to all HealthSmart clients due to network restrictions or individual benefit plan requirements. Please contact your health care insurer or plan administrator to verify your benefit information and availability.

\* Although healthcare services may be or have been provided to you at a healthcare facility that participates in the HealthSmart provider network used by your health benefit plan, other professional services may be or have been provided at or through the facility by physicians and other healthcare practitioners who do not participate in the HealthSmart network. The HealthSmart provider network may not be contracted with radiologists, anesthesiologists, pathologists, emergency department physicians, or neonatologists to whom this facility has granted clinical privileges and who provide services to patients of the facility under those clinical privileges. If services may be or have been provided by facility-based physicians, you may be responsible for payment of all or part of the fees for those services. For more information, please contact your health care insurer or plan administrator.
